Have a safe play with MyFunStone

Safety Instruction:

- **Age Recommendation:** Suitable for children aged 1 year and up.
- **Supervision:** Use **only and permanently** under continuous **adult supervision**, especially for children under 3 years of age.
- **Maximum Load:** Maximum load capacity is 120 kg / 264 lbs. The load specification is based on average foot, sitting, stepping or hand sizes of children.
- **Surface:** Use the elements only on a flat, stable and non-slip surface to ensure safe play.
- **Correct Orientation:** The elements must be used only with the open side facing downwards.
- **Stability Check:** Before stepping onto the elements, ensure that all elements are firmly placed together and securely positioned on the ground to prevent tripping or falling.
- **Stacking and Use:** For stepping, standing, or climbing, a maximum **of three** MyFunStone elements may be stacked. The child's feet must always be able to touch the floor.
- **Product Combination:** Stack MyFunStone elements only. Never stack MyFunStone elements with other products.

Warning notice:

- Teeth, fingernails, knives, scissors, saws, stones, ballpoint pens, and other sharp or hard objects can permanently damage the MyFunStone.
- Do not bite or chew on the products.
- There is a high risk of swallowing parts and damaging the product.
- Do not step or stand on the products while wearing high heels or cleats, as this may cause permanent damage.
- **This product is not a swimming aid.**
- Do not use the products in swimming pools, lakes, or other bodies of water. Children must be supervised at all times when playing in or near water, regardless of their swimming abilities.
- Keep the product away from fire sources and hot air blowers.

Cleaning Instructions

- Use eco-friendly cleaning products only.
- Clean with child-safe detergents, such as mild soap or dishwashing liquid.
- Avoid harsh chemical cleaners, acids or lye.

Sitting

- If children are sitting on a stack of MyFunStone elements, ensure that all elements are properly assembled and securely positioned.
- If more than three elements are used, the maximum permitted number of MyFunStone elements must comply with DIN EN 1729 and depend on the age and body height of the children.

Outdoor Use

- The product is not suitable for use on rough or sharp surfaces, such as pointed stones.
- Do not store the product in direct sunlight.
